Dear Fairview Families and Community Members,

Welcome back for the 2016 - 2017 academic school year! Our faculty and staff are excited to have our students back in the building for the start of a great year. We hope you were able to meet some new and old staff during our Parent Meet & Greet in August. If you were unable to attend then we look forward to seeing you during *Back to School Night on Wednesday, September 3th*. You can learn more about new staff and their titles on page 4 of this newsletter.

For this school year we will continue to push our students both academically and as young leaders in their community. We will offer a variety of after school programs that will support their learning and character development which can be found on page 5. You can also learn about all of the great resources that will be supporting our school including *Food for Thought* which will be dropping off food baskets starting *Friday, September 5th*.

We would also like to invite our families to our *Principal Parent Teas* starting *Monday, September 12th*. This is a great opportunity to talk to Fairview faculty and staff about your concerns and ways we can continue to support your child throughout the school year.

Please feel free to reach out to our front staff if you have any additional questions or concerns. Remember to also check our website at Fairview.dpsk12.org to get up to date news on special events and activities occurring at the school site.

We look forward to a great school year.

Sincerely,
Antoinette Hudson
Fairview Principal

Parent Tip of the Month

If you don't have time to volunteer at the school level don't feel discouraged! Understanding that parents have busy schedules there are easy ways to get involved with your child's education. This includes having them read to you at night, having them explain their homework to you, or attending important school events such as Back to School night. This is also a great way to be engaged with what your child is learning.
